PREFACE.

AFTER an interval of two Years, the Editor has much pleasure in presenting the supporters of the City Directory with a new, and he believes, much improved edition of the work. In collecting the material for the present volume, great care was taken to render it as full and complete as possible, and to secure the obtaining of the French names with greater accuracy than heretofore, two active and intelligent French Canadian gentlemen were employed, who doubtless performed their part of the work ably and faithfully. The rest of the material was collected by himself and two other competent assistants, and he thinks, that altogether, the present volume will be found the most complete of its kind yet issued in Canada. The number of names in the ALPHABETICAL DIRECTORY is about *nine thousand five hundred,* being upwards of ONE THOUSAND MORE than ever appeared in any former edition, and of these MORE THAN SIX THOUSAND have changed their places of business or residence during the last two years. The recent destructive fire having caused the removal of many business people after the work had gone to press, every effort was used to procure their subsequent places of business, and in nearly all cases with success, and any names which do not appear in the body of the work at their new addresses, will be found so in the CLASSIFIED BUSINESS DIRECTORY, and in the Addenda at page 9, which see.

Many enquiries having been made of the Editor regarding the reliability of the Census returns of the City as lately published, he has to say in reply, that he believes the gross population to be *considerably underrated,* as several

families reported having Schedules still in their possession which had not been called for, and as far as it relates to the Religious sub-divisions (excepting the Roman Catholic) it is of no practical value, as the people engaged on it did not seem to understand that the Church of Scotland was Presbyterian, nor the Church of England Protestant Episcopal.

The City has undoubtedly continued to advance steadily during two years past, unmistakeable signs of improvement being now visible in every quarter, and from the great natural advantages which her geographical position confers, there can be no reasonable doubt that she will ultimately become one of the greatest commercial emporiums in North America. Hoping that this period may speedily arrive, and that the friends and supporters of the City Directory may live long to enjoy it,

The Editor remains,

Their obliged and faithful servant,

ROBERT W. STUART MACKAY.

Montreal, 1st July, 1852.

He would particularly recommend to the notice of Agriculturists, his improved

SUBSOIL GRUBBER,

as an implement well calculated to facilitate the labor of cross ploughing,—performing with the same draft power, the work of the common plough in one-third the time; it is much used in Scotland, where it has superseded the use of the Scuffler, Horse Hoe, and Cultivator.

BRITANNIA
MUTUAL LIFE ASSOCIATION,

No. 1 Prince's Street, Bank, London.

Empowered by Her Majesty's Royal Letters Patent.

DIRECTORS:

(Same as the Britannia Proprietary Branch.)

This Institution was originally established under a different title in the year 1839, on the plan of admitting the Assured to participate in four-fifths only of the profits; but the Society has since been remodelled so as to become a strictly "Mutual Association."

The whole of the funds and property belong to, and are accumulated for the exclusive benefit of the Assured.

The profits are divided annually among the Policy-holders, and applied in reduction of the current year's premium; thus constituting, in effect, an immediate cash payment to the Assured.

Half-credit Policies are granted on terms unusually favorable to the holders,—the amount for which credit is given being gradually, liquidated out of the profits.

Two Tables of Rates have been computed; one entitling the Assured to participate in the profits after payment of five annual premiums; the other considerably lower, in which the period of participation is deferred two years longer: the premium ultimately payable by the Assured is, however, precisely the same, whichever Table of Rates may in the first instance be selected.

General Meetings of the Members are held annually; to whom full and complete statements of the affairs and funds of the Society are submitted, and by whom the divisions of the profits are from time to time declared.

At the Annual General Meeting held on the 27th April last, a dividend of 30 per Cent. upon the current year's premium was awarded to all Members who had made the requisite number of payments on their respective Policies.

By order of the Board of Directors,
E. R. FOSTER, Resident Director,
ANDREW FRANCIS, Secretary.

London, May 1st, 1852.

*** The "Britannia Mutual Life Association" is altogether distinct from, and independent of, the Proprietary Office transacting business under the name of the "Britannia Life Assurance Company." The only connection between the two establishments is, that their affairs are conducted on the same premises and by the same officers, by which means the entire disbursements of the Mutual Association are reduced to a small per centage on the receipts.

The Undersigned, formerly Agent of the *Quebec Fire Assurance Company*, and still Agent for the *Britannia Life Company*, in offering to take FIRE RISKS for the above-mentioned flourishing Institution, feels it due to the Company he represents, as well as to the Public, to make known its Resources and prospects.

The liability of the Proprietors is declared by the Company's Acts of Parliament to be unlimited.

It is also provided that all Premiums, which may be received on sale of the Unissued Shares in the Company, shall be carried to the credit of the Reserve Surplus Fund, and form part thereof; so that, as the £2 10s. paid on each Share, now sells at £7 10s., this Reserve Fund is continually increasing, without taking into account accumulations from other sources;

and by the first Act of Parliament obtained by the Company it is expressly provided: "That it shall not be lawful for "the said Company, or any persons on behalf of the said "Company, in any manner to stipulate, contract or agree, "with any person or persons, to limit or restrict the liability "of the Proprietors of the said Company, or any of them;" so that, in the *unrestricted liability* of a large and wealthy Proprietory, and the readiness with which just rights can be established in the event of their being questioned, the security which it affords is of the most undeniable kind.

The subscriber is now prepared to effect Fire Insurance Risks on as favorable terms as any respectable Company doing business in Montreal.

THIS Company was organized in August, 1847, and so successful has been its operations, and economical its management, that it has been enabled to declare at each of its Annual Meetings, Bonuses to the assured of sums equal to 18 and 25 per cent. of the amount of Premiums paid up.

This being the only native Institution for Life Assurance originated in the Province, and now carried into prosperous activity, it may safely lay claim to a large share of Colonial patronage.

The following is an example of the rates of Premium demanded by this Company for the Assurance of £100, upon a single life, the assured being entitled to participate in the profits realised.

Age next birth day.	Annual Premium.			Semi-Annual Premium.			Quarterly Premium.
